STATIONERY & CLASSROOM SUPPLIES LIST

Scholastic Year 2026–2027

Dear Parents/Guardians,

To help us prepare a welcoming, organised and creative learning environment, kindly provide the items listed below. These supplies will support your child's personal care, daily classroom routines, creative experiences and mini activities throughout the scholastic year. Should you need clarifications, kindly inform us and we would be more than happy to support.

Please note before sending the items

- Please label all personal and reusable items clearly with your child's name.
- A complete spare outfit should remain available at kindergarten. When used or soiled clothing is sent home, please replace the full spare set on your child's next attendance day.
- Consumable craft materials may need to be replenished during the scholastic year. The kindergarten will inform parents/guardians if additional supplies are required.
- Please choose child-safe, washable and non-toxic materials where applicable. Small craft items will be used only during supervised activities.
